

WELCOME TO CRANFIELD UNIVERSITY TECHNOLOGY PARK

The perfect location for businesses working in the technology sector. We are situated in the heart of the Oxford to Cambridge Arc, a hub of innovation and development.

We are home to almost 60 science, technology, and knowledge-based businesses. From start-ups to internationally recognised brands, our Tech Park offers exceptional quality office spaces alongside the University's distinctive expertise and skills base.

We understand that businesses need flexibility and quality facilities to grow, our leases provide you with the freedom to expand and contract as required within the Park.

We offer super-fast broadband internet, meeting and conference facilities, an on-site café, and a main reception.

OUR BUILDINGS

CRANFIELD INNOVATION CENTRE

280 SQ FT TO 1,780 SQ FT

The Cranfield Innovation Centre has been designed to cater to the specific requirements of small and growing businesses. We offer flexible lease options for our offices along with administrative support and conference facilities. The Centre features a staffed central reception area, 46 office units, newly renovated meeting rooms, and a modern on-site café facility.

DERWENT HOUSE

2,500 SQ. FT TO 6,000 SQ. FT

Derwent House is a detached two-story office building, featuring a variety of office accommodation options spread across six units. Our building boasts a versatile design, with floor plates that are capable of sub-division as per your business requirements. In addition, we offer a bright and spacious reception area, raised access flooring, tiled suspended ceiling, and air conditioning to ensure a comfortable and efficient working environment for our tenants.

TRENT HOUSE

2,500 SQ. FT TO 6,000 SQ. FT

Trent House is a detached two-story office building that provides exceptional office spaces across six units, featuring a versatile design with floor plates that can be sub-divided according to your business needs. Our building boasts a versatile design, with floor plates that are capable of sub-division as per your business requirements. We have raised access flooring, a tiled suspended ceiling, and comfort cooling and heating systems to create a comfortable and professional working environment for all of our tenants.
